

OTERO ARTS ARTSPACE

The mission of Otero Arts, Inc., is to enrich the lives of the people of our community through art and culture and foster a spirit of mutual support and cooperation.

Aug/Sept, 2023

As OA grew in membership and programs during 2022 and into 2023, it became clear that forging partnerships with other local non-profit organizations would be beneficial in expanding our community outreach. Here are the partnerships we are developing and brief comments on how these other non-profits interface with OA:

Alamogordo Public Schools— Collaborated on a highly successful student art show at the ArtSpace last March;

Alamogordo Main Street— Partnering to pursue a state-authorized designation for Alamogordo as an art and cultural district through the NM Main Street Jump Start program;

Otero County Boys and Girls Club— Supporting art appreciation and art education for children. We have an on-going art supply drive and deliver art supplies to the club from a collection bin at Art Space.

Maingate/ Holloman Spouses— Helping to educate the Holloman population about available art and culture programming. Holloman Spouses supported our recent Ice Cream Social and Silent Auction.

Annual Meeting Report: June 13, 2023

Approximately 20 OAI members attended the Annual Meeting in June. During the meeting, minutes from the 2022 meeting were approved and a Treasurer's Report was presented. The main objective of the meeting was to elect officers and Board Members. Officers for the coming year are: Maria Aragon, President; Janet Amtmann, Vice-President, Ann Beacht, Secretary and Sue Preslar, Treasurer. New Board members elected were Shari Adkisson and Carol Hernandez.

Other Items discussed/reported were:

Greetings.

Welcome to the August/September newsletter crammed with the latest info about past, current and upcoming events. As you can see, we're busy and getting busier thanks to your support.

Volunteers are more than welcome to help out with events and sitting the exhibitions. We are also seeking someone to run our bimonthly Film Program. If you love film and want to introduce people to classic cinema, please contact us.

Starting in July, we kicked off our series of monthly children's workshops with the Collage/Paper Art workshop on the 22nd. In August, Liliane Pilot heads the Children's Story Workshop and in September there will be a Drawing and Watercolor workshop, in which we will teach techniques. We are planning two more workshops for October and November. Watch for our flyers with the dates and contact information!

ALAMOGORDO MAINSTREET

Oh no! the dreaded Orange Barrels are coming to New York Avenue! But...wait...this is a good thing! Hear us out: Main Street Makeover has big plans for New York Avenue....\$3.5M worth! Beginning in January, 2024, the street will be closed for a year or up to 18 months for the following: In 2 phases, new utilities (beginning in Jan) and then 2nd phase will be streetscape improvements, including trees, new sidewalks, benches, lightposts, etc. Funded by the NM Economic Development Dpt under the name of "Great Blocks Project", New York Avenue is looking at a tremendous economic value when finished and fulfilling the hopes and promises of local leaders in the Main Street organization.

Therefore, big changes are also coming to Boles Road! This is the alleyway directly behind the businesses on the east side of New York Ave in the 900 block. Main Street just received a grant from AARP, called "Side Street Art project", for \$12,600 to develop this space to attract people to a welcoming art walkway downtown.

This area will also provide store access to businesses during the time the city will have New York Ave closed for construction early 2024. We'll keep you updated!

Another successful Reading Series with Joshua Wheeler on 7/21. A full house! Don't miss the next one in October!

Congratulations to one of our own: Janet Amtmann. Janet's "Fall Magic" was accepted into the Plein Aire Painters of NM National Show that will open on Sept. 1 @ Legends of the West Gallery in Santa Fe. The show will be open through Sept. 15h. An impressive recognition.

ARTISTS' EXHIBITION. September Artists are ANN BEACHT AND ANN BAGBY, original members of OAI

Painting is ANN BEACHT's hobby. The retired educator did not begin to paint until she was nearly 60. A chance encounter with Las Cruces artist Julie Oliver led to weekly painting sessions for about 15 years where Ann painted along with a group of painters that would ultimately become the Artist Guild of Southern NM.

Ann enjoys painting in her studio and en plein aire. She paints mostly still life and landscapes.

Artists Exhibitions begin on First Friday and then show at the Artspace every Thursday through Sunday, 1-4 pm of each month. Please come support our local artists!

ANN BAGBY:

Ann is a figurative, narrative painter and colorist working primarily with oils, pastels and salvaged materials. Grew up in a small town in Nebraska in a music-oriented family.

Majored in vocal music at college and studied art. Held jobs in graphic design/advertising, continuing to paint. Moved to Alamogordo in 1998, and spends her time painting, helping organize non-profit art org. and singing.

Don't forget: the Artspace is open for rentals for your group's events. Call 446-3880.
